

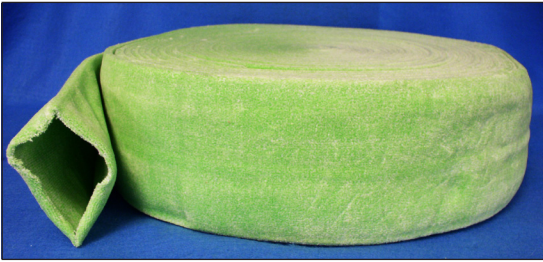

GRAPHIC DAMPENING COVERS

GREEN SHRINK

Green Shrink is a premium dampening cover made of cotton that incorporates high tech fiber technology that allows the cotton cover to shrink-to-fit. Cotton fibers deliver superior absorption and moisture retention as compared to synthetic shrink covers. Green Shrink is highly effective in both water form and ductor positions.

WHITE SHRINK

White Shrink is a premium shrink cover made using synthetic fibers. Synthetic covers are the longest wearing, ink resistant, easy to clean, and resist twisting. White Shrink is highly effective in both water form and ductor positions. White Shrink is an economical replacement for red and other shrink covers made using synthetic fibers.

KNIT COTTON

Knit Cotton is a medium-weight premium cover made with cotton fibers that has superior water absorption and moisture retention. The cover is popular for covering water pick-up rollers on web presses. The cover can also be used on ductor rollers when a thinner cover is preferred.

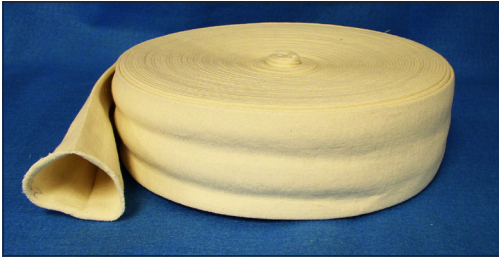

KNIT SHRINK

Knit Shrink is a synthetic replacement cover for Knit Cotton that has longer life. Knit Shrink also provides consistent absorbency, long lint-free life and is a shrink-to-fit cover. Knit Shrink can be used on water pick-up rollers or as a ductor roller cover when a thin cover is preferred.

STRETCH LINEN

Stretch Linen is used for covering the water pan roller, the intermediate ductor roller or the water form roller. Also can be used as an economical elasticized alternative to paper dampeners or the thin synthetic form covers. The fibers provide consistently high absorbency and long, lint free life. Resistant to ink build-up and easy to clean.

SAFETY CUTTER

The NEW Safe-DE-Sock Cutter zips through old dampening covers making the removal EASY, SAFE and *VERY FAST!* Safe for hands & rubber rollers. The cutter can also be used to safely cut open shipping containers with no chance of the contents being accidentally cut. Safe-DE-Sock Cutter is FREE with every full roll of Graphic premium dampening material for a limited time.
