MITSUBISHI (Violet Plate)			X
PRESSTEK - Pearl Gold	X		
Anthem	X		X
XANTE CTP			X

*For best results, minimize amount of time Aqua Blue is left on plate.

*Plate Sav-Ur can be used with most conventional plates as long as it is not allowed to dry on the plate.
Always rinse or wipe plates with water or fountain solution mixture after applying any plate cleaner.

SILVER & LASER POLYESTER PLATES	GOLD MIRACLE	PLATE CARE
